\*Extended landing w/brick arch allows oven to flash through a non-combustible wall.

**MADE IN THE USA:**

Forno Bravo proudly manufactures all of our ovens in the United States of America. They are produced in one of two, high-quality facilities that are located in Castroville, CA and Colorado Springs, CO. Staffed with skilled craftsmen, precision machinery, and on-site quality control, all ovens are tested and built with longevity in mind, and further protected by industry leading warranties you can trust. With countless oven sizes, designs, and configurations to fit your unique residential and commercial needs, it's clear why Forno Bravo produces the World's Finest Pizza Oven.

## CUSTOM FINISH OPTIONS

### RESIDENTIAL TILED OVENS

#### Napolino

*The Napolino is a compact, hand-tiled, wood fired oven in our Residential line.*

##### Standard Colors: + \$0

Forno Bravo offers a choice of various standard patterns using the most popular colors from our glass tile. These standard primary and trim colors include: Snow White, Candy Apple Red, Black Coffee, Polo Blue, Pewter Gray, and Smoke Gray.

##### Extended Colors: + \$149

Wish to further personalize the look of your oven to your taste or décor? You can customize our standard patterns with several additional colors from our glass tile line. Popular choices include: Amber Gold, Marigold, Kiwi, Creampuff, and Whisper Blue. The additional cost covers the staff time to special order the tile, as well as laying out and confirming your design.

**Note:** Colors outside our standard & extended glass tile line will be quoted on a case by case basis.

##### Add Logo / Letters - Max 20"W x 8"H: + \$595

A Forno Bravo wood fired oven is a well-crafted, legacy piece that families enjoy for many years. Further customize your oven with a name or logo that celebrates your family or interests! Logos and letter combinations at this price point are limited to the above dimensions and 3 colors, due to the oven's smaller size. Forno Bravo staff will work with you to create, design, and confirm your order before tiling begins.

##### Fully Custom Finishes: Get A Design Quote

Looking to make your oven a true one-of-a-kind masterpiece with colors, patterns, or designs outside of the above options? We can help you find the perfect combination to match your style and vision! Because of the extensive variety of possible materials and designs, all fully custom tile work will be quoted separately, and must be approved by the customer before production.

#### Vesuvio

*The Vesuvio is the largest tiled oven in our Residential line. Gas or wood fired, it makes a beautiful statement in your outdoor kitchen or entertaining area.*

##### Standard Colors: + \$0

Forno Bravo offers a choice of various standard patterns using the most popular colors from our glass tile. These standard primary and trim colors include: Snow White, Candy Apple Red, Black Coffee, Polo Blue, Pewter Gray, and Smoke Gray.

##### Extended Colors: + \$249

Wish to further personalize the look of your oven to your taste or décor? You can customize our standard patterns with several additional colors from our glass tile line. Popular choices include: Amber Gold, Marigold, Kiwi, Creampuff, and Whisper Blue. The additional cost covers the staff time needed to assess and special order the larger quantity of tile, as well as the more extensive design and layout confirmation process required for the larger oven.

**Note:** Colors outside our standard & extended glass tile line will be quoted on a case by case basis.

##### Add Logo / Letters - Max 30"W x 15"H: + \$795

A Forno Bravo wood fired oven is a well-crafted, legacy piece that families use for many years. Further customize your oven with a name or logo that celebrates your family or interests! The Vesuvio's larger size allows for larger logo or text options. (See above size limits. Complex logos may need to be quoted separately.) Forno Bravo staff will work with you to create, design, and confirm your order before tiling begins.

##### Fully Custom Finishes: Get Design Quote

Looking to make your oven a true one-of-a-kind masterpiece with colors, patterns, or designs outside of the above options? We can help you find the perfect combination to match your style and vision! Because of the extensive variety of possible materials and designs, all fully custom tile work will be quoted separately and must be approved by the customer before production.

## COMMERCIAL TILED OVENS

### Napoli & Tiled Roma

#### Standard Colors: + \$0

All Forno Bravo tiled ovens are hand-tiled in-house by talented craftsmen. Included are a choice of various standard patterns using the most popular colors from our line of glass tile. These standard primary and trim colors include: Snow White, Candy Apple Red, Black Coffee, Polo Blue, Pewter Gray, and Smoke Gray.

#### Extended Colors: + \$299

To further personalize your oven to match your brand or restaurant décor, you can select from several additional colors in our glass tile line (to use with our standard patterns.) Popular choices include: Amber Gold, Marigold, Kiwi, Creampuff, and Whisper Blue.

**Note:** Colors outside our standard & extended glass tile line will be quoted on a case by case basis.

#### Add Logo / Letters - Max 40W" x 20H": + \$995

Let a Forno Bravo tiled pizza oven be the showpiece of your kitchen! Putting your restaurant's name or logo front and center on your oven will help organically boost your brand recognition and social media presence. Logos and letter combinations at this price point are limited to the dimensions listed above, due to the size and shape of the ovens. Complex logos may need to be quoted separately. Forno Bravo staff will work with you to create, design, and confirm your order before construction.

#### Fully Custom Finishes: Get Design Quote

Looking to make your oven a true one-of-a-kind masterpiece with colors, patterns, logos, or designs outside of the above options? We can help you find the perfect combination to match your style and vision! Don't be afraid to be unique; our craftsmen love a challenge!

Because of the extensive variety of possible materials\* and designs, all fully custom tile work will be quoted separately and must be approved by the customer before production.

*\*Custom tile colors are based on the standard & extended glass tile line. Other upgraded tile/styles costs will be assessed based on the customer's selection.*

## ADDITIONAL SERVICES

### Custom Colors for Stucco Finishes: \$100

Forno Bravo has expanded our standard color options for our Pizza ovens with stucco finishes (Primavera, Toscana, Roma, and Viaggio ovens.) Included, customers can now choose from **seven standard colors** to match your décor and style: Mediterranean Yellow, Terracotta Red, Snow White, Charcoal Grey, Spanish Sand, Earth Brown, or Smoke Black. Additional colors outside of these seven are available for a \$100 upcharge.

### Pre-Cure Residential: \$399

Is time a factor? Want to start cooking immediately with your new refractory oven? Forno Bravo now offers a pre-cure service at the factory to strengthen and protect your fully assembled oven, eliminating the need for the five-day curing process in the field. Order this service up-front for best pricing. If the pre-cured option is selected after the oven build has finished stage three, an additional post-build fee of \$200 will be assessed.

### Pre-Cure Commercial: \$499

Get cooking in your new oven as soon as it arrives in your restaurant. By using our pre-cure service from the factory to strengthen and protect your fully assembled oven, you can save staff time and avoid opening delays by eliminating the need for the five-day curing process in the field. Order this service up front for best pricing. If the pre-cured option is selected after the oven build has finished stage three, an additional post-build fee of \$300 will be assessed.
