

Surface Preparation & Maintenance

E-Etch

Brickform E-Etch is an environmentally friendly industrial strength floor cleaner, degreaser and light etching product. It is ideal for cleaning and preparing cementitious surfaces for acid staining, decorative overlays, water-based stains, and coatings applications. It may also be used on concrete, stucco, terrazzo and most masonry surfaces to open up the pores on the surface and clean grime, dirt, grease, scuff marks and stains. E-Etch effectively removes excess Antique Release from textured concrete and can also be used as an efflorescence remover.

- 250 ft² per gallon; undiluted usage
- Biodegradable
- Rinse with water
- Non-hazardous
- Non-abrasive
- Non-carcinogenic
- Antique Release/efflorescence remover

ES-1200 1 Gallon Bottle
 ES4-1200 Case of four 1 Gallon Bottles

Coordinating SwissMEX Sprayer DS-8042 or DS-8182.
 See pg 53 for more information.

Neutra Clean

Brickform pH neutral cleaner is a cleaning and neutralizing agent engineered for use on acid and reactive stained floors prior to sealing and to remove light oil, grease or other types of soils from colored, imprinted and natural concrete surfaces. This product combines cleaning and light degreasing without the use of petroleum solvents and effectively loosens residues from the staining process, as well as loosening release powders from stamped concrete.

- 150 to 200 ft² per diluted gal
- Neutralizes acid stains
- PH neutral

NC-1 1 Gallon Bottle
 NC4-1 Case of four 1 Gallon Bottles

Coordinating Swissmex sprayer:
 DS-8041, DS-8351 or DS-8401.
 See pg 53 for more information.

Strip-It

Brickform Strip-It is an environmentally sound and user-safe stripper for water and solvent-based sealers and paints. Strip-It may be used on all masonry surfaces including concrete, quarry tile, ceramic tile, terrazzo, cementitious overlays and other surfaces. Strip-It meets 2005 California Air Resources Board VOC standards (less than 50% VOC by weight).

- 60 to 100 ft² per gal
- Non-flammable
- Contains no methylene chloride

SR-1 Strip-It 1 Gallon
 SR4-1 Strip-It case Case of four 1 Gallon units
 SR-5 Strip-It 5 Gallon

Brickform Premium Acrylic Floor Finish

Brickform Premium Acrylic Floor Finish is a finish that forms a long-lasting protective coating over a Brickform sealer. It provides a wear-resistant sacrificial coating and stands up to the heaviest of traffic conditions. It is easily applied and can be re-coated up to 100 times without having to strip the floor. It will not powder and it can be mopped or cleaned time after time without damaging its original shine. Brickform Premium Acrylic Floor Finish is ideal for ongoing maintenance.

- 800 to 1000 ft² per gal
- Super-tough film
- High-gloss
- Interior use only
- Slip-resistant
